

Minor in: Meteorology (21-22 S.H.)

Name: _____ Adviser: _____

Requirements for admission or application to the program:

Students accepted into the program are expected to have completed all course prerequisites for the program. The courses for the meteorology minor will be comprised for the core courses for the B.S. meteorology major program, but without the Senior Research in Meteorology (MTR 450), Internship in Meteorology (MTR 370), or Earth Science requirements.

REQUIRED COURSES (21-22 S.H.) select six with approval		
MTR 150 Meteorology	4	
MTR 175 Analytical Meteorology	4	
MTR 230 Weather Analysis and Forecasting I	4	
MTR 310 Atmospheric Thermodynamics	3	
MTR Elective (200 level or higher)	3 – 4	Course:

- To obtain a minor, you must notify the Department Chairperson of your interest. _____
Department Chair Signature
- You must submit formal notification to the Registrar's Office by completing the Declaration of Minor form in order for your official university transcript to include the minor.
- Depending upon your major requirements, you may need to take credit hours over the degree credit minimum required for graduation. Please see your adviser to review all program requirements.

Approved Electives:

Courses selected with the approval of a Physics, Astronomy & Meteorology adviser.

NOTES:
