Approved Elective (prerequisites vary — consult catalog)	4	Course:

- To obtain a minor, you must have approval from the Physics, Astronomy & Meteorology Department Chairperson.
- You must submit formal notification to the Registrar's Office by completing the Declaration of Minor form in order for your official university transcript to include the minor.
- Depending upon your major requirements, you may need to take credit hours over the degree credit minimum required for graduation. Please see your adviser to review all program requirements.

### Approved Electives:

*Courses selected with the approval of the Physics, Astronomy & Meteorology Department Chairperson.*
